Please read the guidelines below and sign your acknowledgement at the bottom:

- Rebates are available to residents of either Robertson or Brazos Counties, who install a rain barrel to capture rain water runoff.
- Submitting a Rebate Application in no way obligates the Brazos Valley Groundwater Conservation District to pay a rebate.
- Rebates will be offered on a first come, first serve basis, and are subject to availability of funds. This rebate program may be terminated at any time, without notice, by the Brazos Valley Groundwater Conservation District.
- A dated and itemized receipt, along with this application, must be submitted to the District office within 90 days of purchase to qualify.
- \$25 maximum rebate per barrel, with a (2) barrel limit per household. Rebate may not exceed amount paid for barrel(s).
- Barrel must have been originally constructed to hold water, and have a minimum capacity of 30 gallons.
- Barrels must have screening or a cover to prevent mosquitoes.

I have read and understand the Rain Barrel Rebate Program Guidelines and limitations.
